

To whom it may concern,

Working as a Civil Engineer in Hong Kong, I have decided to immigrate to Australia to start my new life with my wife.

After searching for a well-qualified and experienced Australia registered immigration consultant, we finally selected John Hu of John Hu Migration Consulting (MARN 0746141) who has many years of proven solid experience in processing Australia immigration visas.

With their professional migration expertise and consulting skills, John and his professional team have given me clear instructions to guide me in the application process and preparation for all documents required to obtain a positive skills assessment result, complete relevant application forms and follow-up my application progress.

Eventually, my Australian skilled subclass 189 visa is granted on 4 September 2017!

I have enjoyed my customer experience with John Hu Migration Consulting and highly appreciate their professional service and proactive attitude to complete my application. Without any hesitation, I would recommend anyone to engage John Hu's professional consulting services to process his/her Australian immigration visa application
