

To whom it may concern,

I have been working as a professional youth worker serving the local Hong Kong youth community. In order to enjoy a better quality of life and a better education for my children, my husband and I decided to migrate to Australia.

After signing our service engagement with John Hu Migration Consulting, John has advised us step by step in collating all information and supporting documents for our visa application.

His professional team is responsible for preparing all supporting documents, completing and checking all application forms for our approval and signatures before visa application lodgment. Our visa application process was an extraordinary and enjoyable experience especially in working with John Hu Migration professional migration team of consultants. They were very efficient and helpful throughout the application process.

After lodging my visa application in early 2015, I got my visa granted on 1 July 2015 – just about 6 d six months only.

Thanks to John Hu together with their professional migration team for their good work and commitment in processing my migration visa, I am able to grant my visa promptly.

I have no hesitation to recommend John Hu Migration Consulting to other visa applicant who decides to engage a reliable consultant to process his / her migration visa to Australia.
