To whom it may concern,

I have decided to immigrate to Australia with my family to enjoy our quality life there. After a thorough search for a qualified and experienced immigration consultant, we decided to engage John Hu (a registered Australia Migration Agent MARN 0746141) of John Hu Migration Consulting to process my 188B investor visa to Australia.

With his professional migration knowledge and successful experience, John and his professional team advised me to collate all information and supporting documents to process my subclass 188 business investor visa as I have previous successful investment experience.

I got my Victoria state nomination and have my subclass 188 business visa granted in October 2017. I am grateful to John and his team for their professional immigration service in completing my visa application.

I have no hesitation in recommending John Hu Migration Consulting to other visa applicants who have decided to immigrate to Australia through the business investor stream.

Kind regards,
