

To whom it may concern,

I engaged John Hu Migration Consulting to apply for the Australian Partner (subclass 100) visa.

After thorough research, we finally engaged the award-winning John Hu Migration Consulting which has an impressive track record of successful Australian cases.

I lodged my visa application in August and was granted a visa in January – **within 5 months!**

I have enjoyed my customer experience and would like to thank John for his professional migration services. Without doubt, I would highly recommend the services of John Hu Migration Consulting.

Yours sincerely,
