

To whom it may concern,

My family and I have decided to immigrate to Australia for better quality children education and family life there through the 188 investor visa.

At the initial consultation interview, John Hu (MARN 0746141), the Principal Consultant of John Hu Migration Consulting (JHM) has assessed my application eligibility for the 188 investor visa.

Throughout my engagement with JHM, John and his in-house documents processing team have provided me with detailed guidance, progress updates, and professional assistance in preparing all the tedious documentations to properly declare and verify my source of funds, my business and investment portfolio, as well as completing my good health and character checks.

On 11 Jan 2018, all our visa application of 188 investor visas were officially granted by the Australian Immigration. I have enjoyed my customer experience throughout my service engagement with John Hu Migration Consulting.

I have no hesitation to recommend the professional immigration services of John Hu Migration Consulting to anyone who has decided to immigrate to Australia or other countries through entrepreneur or investor visa streams.
