

22nd June 2015

To Whom It May Concern:

I am a secondary teacher in Hong Kong and have decided to work and emigrate to Australia with my family. After searching for a qualified and experienced migration consultant who could help me process my skills assessment and subclass 189 skilled independent application, I have finally selected John Hu (a registered Australia migration agent MARN 0746141) to be my appointed agent.

With his professional migration knowledge and successful experience, John and his professional team have helped me prepare all supporting documents and employment references for my skills assessment by the Australian Institute for Teaching and School Leadership and visa application.

Finally, my subclass 189 visa is granted on 19 June 2015 – only 3 months after my visa application!

I have no hesitation to recommend John Hu and his professional team of migration consultants to anyone who decides to engage a professional consultant to process his / her immigration visa to Australia.
