To whom it may concern,

My wife is a British Citizen and I applied for a UK partner visa in order for us to live and work together in the UK.

After searching for a reliable and professional immigration consulting firm to process my visa application, we finally selected the award-winning John Hu Migration Consulting which has many years of successful experience in processing UK immigration visas.

John Hu professional team and their UK immigration attorney have helped me prepare all supporting documents and guided me throughout the entire process of application. I have enjoyed my customer experience with John Hu Migration Consulting.

I submitted my visa application in April 2017 and got my visa granted within one month!

I thank John Hu Migration Consulting for their professional immigration services and have no hesitation to recommend John Hu Migration Consulting to anyone who decides to engage a representative to process his / her immigration visa to the UK.

Kind Regards,
