To whom it may concern,

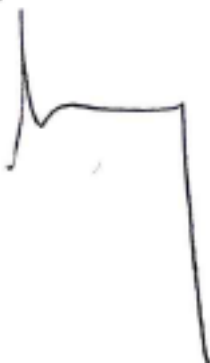

I am a Canadian citizen who have been working in Hong Kong for many years. My wife and I have decided to return back to Canada for permanent settlement. After searching for a reliable and professional Canada registered migration consultant, we have finally decided to engage John Hu of John Hu Migration Consulting to process my partner visa.

John and his team helped us complete all application forms and collate all supporting documents and information for our Canada partner visa. Finally, my partner visa has been granted.

I have enjoyed my experience with John Hu Migration Consulting and have no hesitation to recommend anyone to engage their professional immigration services to process his / her migration visa to Canada.

Yours truly,

Mr. Wong
