

While I have been working in Hong Kong and my husband who is a Canadian citizen, I decided to apply for my Canada spouse visa to join my family such that we will enjoy our family life together in Canada.

After searching for a professional and reliable registered migration agent, we finally decide to appoint John Hu Migration Consulting to process my Canada spouse visa.

John Hu and his professional team have helped me complete all visa application forms and collated all documents to support my visa application. Finally, my visa was granted within 10 months after application lodgment.

I have enjoyed my customer experience with John Hu Migration Consulting. I have no hesitation to recommend anyone who decides to emigrate to the Canada to engage the professional immigration services of John Hu Migration Consulting.
