

7 March, 2015

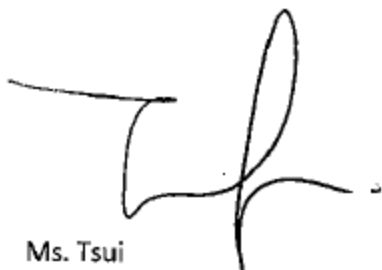

After graduating from my Australia university, I have been working as an early childhood teacher in Hong Kong. I have decided to emigrate to Australia so I would work and live there.

I have finally decided to engage John Hu of John Hu Migration Consulting (JHM) as our appointed agent. JHM has won many local and international awards for its outstanding professional legal immigration services.

John and his professional team have guided me to complete all my skills assessment, state nomination and visa applications. Finally, my subclass 489 visa has been granted on the 26 March 2015 – *just in 2 months!*

Lastly, I have enjoyed my customer experience with John Hu Migration Consulting's professional services. I have no hesitation to recommend anyone to engage the professional immigration services of John Hu Migration Consulting if you decide to emigrate to Australia.

Kind regards,
