To whom it may concern,

Working as self-employed music composer in Hong Kong, I have decided to immigrate to Canada under the Federal Self-Employed permanent resident visa scheme to have my better quality and balance of family life there, as well as quality education for our children.

When I searched for a qualified and experienced immigration consultant to process my Canada immigration visa, I were impressed by the past success professional experience of John Hu Migration Consulting who have processed lot of immigration visas to Canada including Self-Employed visa for artists, athletes and self-employed persons involved in cultural activities.

With John Hu and his professional team's assistance, I have been given clear guidance in the application process and preparation for all documents required. John and his team have helped prepare my business plan and coached me for my interview by the visa officer.

Finally, my Canada Federal Self-Employed permanent residence visa is granted after 15 months since I submitted my visa application. I have enjoyed my customer experience throughout the entire application process.

I have no hesitation to recommend John Hu Migration Consulting to anyone who is seeking for professional immigration services to process his / her Canada immigration visa.

Kind Regards,

Mr. Tse
