Letter of Appreciation

I am the partner of a New Zealand citizen. I have engaged John Hu Migration Consulting for my New Zealand Partnership Resident Application for migrating to New Zealand.

I am truly grateful of having John Hu and his licensed New Zealand immigration adviser to handle my application. The whole process of preparing the application document, submitting the visa application and finally approval has been very smooth, well-ordered and trouble-free!

They lodged my partner visa application on 11 April 2018 and the visa is granted to us within 9 months!

I deeply appreciate John Hu's invaluable advices, masterful skills and proficient immigration services in preparing all the supporting documents for my visa application.

I thank John Hu and his professional team for delivering a successful visa application and I sincerely recommend John Hu Migration consulting to those who wish to migrate to New Zealand!

Kind regards,

Ms. Li
