To Whom It May Concern:

My brother and I have been managing and operating our own logistics business over years in Hong Kong. We have decided to emigrate to the United Kingdom under Tier 1 Entrepreneur program in order for us to start up our new UK logistics business in Edinburg Scotland and arrange our children to be educated in the UK schools.

With each of us contributing 100,000 GBP, we have searched for a reliable and qualified UK immigration consulting firm to process our Tier 1 Entrepreneur visa, and we finally decided to engage the professional immigration services of John Hu Migration Consulting (JHM) to process our visa.

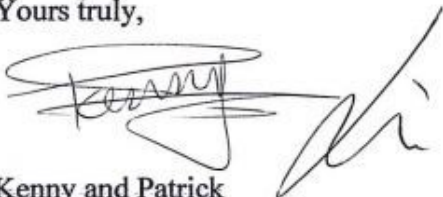

JHM has won many international and local awards as the Best Brand in Investor Immigration Consultant and have many years of successful experience in processing UK immigration visas including investor, entrepreneur and family visas.

JHM helped us prepare all the supporting documents ***including a detailed business plan*** and guided us step by step in completing our visa application.

Finally, our Tier 1 Entrepreneur visas have been granted for my brother and I. Both of us have enjoyed our experience with JHM and have no hesitation in recommending JHM's professional immigration services to anyone who has decided to emigrate to the United Kingdom.

我們兄弟兩人在香港經營物流業務。我們決定透過在英創業移民英國，每人投資 10 萬英鎊，在蘇格蘭愛丁堡成立新公司，並安排我們子女在英國接受教育。我們選擇了胡康邦移民顧問公司 (JHM) 為我們申請簽證。JHM 贏得了眾多國際和本地獎項包括最佳品牌投資移民顧問大獎，具有多年成功申請英國移民簽證經驗，包括投資、創業、家庭簽證。JHM 幫助我們準備好所有證明文件，包括一份詳細的商業計劃書，並指導我們完成所有簽證申請步驟。最後我們取得 Tier 1 Entrepreneur Visa。我們滿意 JHM 之服務，並願意推薦 JHM 專業移民服務給其它決定移民英國之朋友。
