

To whom it may concern:

My husband is a Canadian Permanent Resident and I would like to apply for a Partner Visa in order to join him and start our family life together in Canada.

I have decided to engage John Hu Migration Consulting to process my partner visa application after a comprehensive research for a qualified and experienced migration consultant in October 2016.

With their professional migration knowledge and successful experience, they have given clear instructions to me and helped me collate all relevant supporting documents for my spouse visa application. I highly appreciate JHM's professional service and proactive attitude to complete my application.

Finally, my partner visa is granted on 24 May 2017!

I have no hesitation to recommend John Hu Migration Consulting to anyone who is seeking for a professional service for immigration services.

Kind Regards,

Sandy
