To whom it may concern,

Working as a teacher in Hong Kong, I have decided to immigrate to Canada under the Federal Express Entry to have my better quality and balance of family life there.

When I searched for a qualified and experienced immigration consultant to process my Canada skilled migration visa, I were impressed by the past success professional experience of John Hu Migration Consulting who has processed lot of immigration visas to Canada including business, skilled and family categories. Therefore, we appointed John Hu Migration Consulting to process my Canada federal skilled migration visa.

With John and his professional team's assistance, we have been given clear guidance in the application process and preparation for all documents required. John and his team have helped complete my qualification assessment and visa applications.

Finally, my Canada Federal Skilled permanent residence visa is granted within 9 months after receipt of the invitation to apply in January 2018. I thank JHM for its professional immigration service. I have enjoyed my customer experience throughout the entire application process.

I have no hesitation to recommend John Hu Migration Consulting to anyone who is seeking for professional immigration services to process his / her Canada immigration visa.

Kind Regards,

Mr. Lam
