To whom it may concern,

As a senior manager, my wife and I have decided to emigrate to Canada under Federal Skilled Worker program. After searching for a reliable and professional registered Canada immigration consultant, we finally selected the international award winning John Hu Migration Consulting to process my visa.

John and his team have helped us complete all application forms and collate all supporting documents and information for our Canada Federal Skilled visa. Finally, all my family members and I have been granted with our Canada Federal Skilled visa within only 8 months after we got our application file number.

I have enjoyed my experience with John Hu Migration Consulting and have no hesitation to recommend anyone to engage their professional immigration services to process his / her migration visa to Canada.

Yours truly,
