To whom it may concern:

As a professional investor, my wife and I have decided to immigrate to Australia for better quality of life and education for our child.

After searching for a reliable immigration consultant to help process our business investor 188 visa, we finally selected John Hu of John Hu Migration Consulting (MARN 0746141), as John has many years of successful experience in processing business migration visa to Australia.

John Hu and his team have advised us step by step in collating all information and supporting documents for our state nomination and visa applications, preparing all supporting documents for our sources of funds and arranging my AUD1.5 million investment in state government bonds.

I got my business investor 188 visa granted in Feb 2017. I thank John and his team for their good work in my visa application.

I have enjoyed my customer experience with John Hu Migration Consulting. I have no hesitation to recommend John Hu Migration Consulting to other business investors who decide to engage the service of a professional immigration consultant in processing their 188 business investor migration visas to Australia.
