To whom it may concern:

My wife and I have decided to live and do our business in Manchester United Kingdom for better quality of life and quality education for our children. We then searched for an experienced UK immigration consultant who could help us process our UK Tier 1 entrepreneur visa.

We finally selected and engaged the professional services of John Hu of John Hu Migration Consulting (JHM) and his professional UK immigration team to process our visa due to their past successful experience in processing UK investment, entrepreneur and partner visas for their clients.

John and his UK based immigration and business consulting team have helped me complete all application forms and business plan to support my visa application. With my chosen franchised UK business introduced by JHM and their intensive coaching for my visa, I got my UK Tier 1 Entrepreneur visa granted within 2 months!

Moreover, John's UK professional team will provide us the continuous onshore settlement and support services such that we will enjoy our work and family life in the UK through our visa extension and citizenship grant.

We have no hesitation to recommend John Hu Migration Consulting to anyone who has decided to immigrate to the UK as we have enjoyed very much our customer experience with John Hu Migration Consulting and their UK immigration and consulting team.

Kind regards,
