To whom it may concern,

As a medical professional, I have decided to immigrate to Australia with my family members under subclass 188 business investor. After my search for a qualified and experienced Australia registered immigration consultant, I finally engaged John Hu of John Hu Migration Consulting (MARN 0746141) to process my visa as John has many years of successful experience in processing subclass 188 investor, entrepreneur and significant investor visa to Queensland Australia.

With his professional migration knowledge and successful experience, John Hu and his professional team have guided me step by step in completing my Queensland state nomination and visa application, helping me to collate all supporting documents and information as well as completing all tedious application forms and finally making my designated investment in Queensland for my visa application.

Our 188 business investor visas have been granted in September 2018. I have enjoyed our customer experience with John Hu Migration Consulting. I am most thankful to John Hu and his professional staff in completing my Australia 188 investor visa application.

I have no hesitation in recommending John Hu Migration Consulting to other visa applicant who has decided to immigrate to Australia under subclass 188 business investor category.

Kind regards,

Mr. Tsang
