To whom it may concern,

My family and I have decided to immigrate to the UK, owning and managing our business by investing 200,000 pounds.

We have searched for a reliable and experienced UK migration consulting firm in Hong Kong to process our Tier 1 (Entrepreneur) visa and finally selected John Hu Migration Consulting (JHM) and engaged their professional immigration consulting due to their proven successful experience in processing Tier 1 (Entrepreneur) visa for their clients.

JHM has successfully processed over 50 Hong Kong families to immigrate to the UK under the Tier 1 Investor and Entrepreneur visas. JHM UK team provides all continuous onshore immigration support and services to their clients for visa extension, permanent residence and citizenship applications in the UK.

JHM Hong Kong and their UK immigration lawyer and professional team helped us complete our tailored business plan, collate all supporting documents and information and complete all application forms for our visa lodgement.

We lodged our application in July 2017 and our visas have been granted within 3 months.

I thank JHM for their professional immigration services to guide my family step by step in preparing for my visa application. We have enjoyed our customer experience throughout the whole process.

I have no hesitation to recommend John Hu migration Consulting to anyone who has decided to immigration to the UK under Tier 1 entrepreneur / investor category.

Kind regards,

Ms. Shek
