

25 April 2018

My wife and I have decided to work and live in the U.S. permanently under the unskilled employment based eb-3 visa category.

After searching for a reliable and professional immigration firm to process my visa, I finally selected John Hu Migration Consulting (JHM) as my appointed representative to process my visa.

The professional staff and account manager of JHM have worked closely with the U.S. employer and immigration attorney to file my petition, helped collate all my information and supporting documents and arranged my visa officer's interview coaching.

Finally, I got my U.S. unskilled employment based eb-3 green card visa granted just within 14 months after my visa application lodgement.

I have no hesitation to recommend the professional immigration service of John Hu Migration Consulting to anyone who has decided to work and live in the U.S. under the eb-3 visa category.

Kind regards,
