

To Whom It May Concern:

Working as a Registered Nurse, I decided to immigrate to Australia to start a high-quality of life and a better education for my children.

After an ample research for a qualified and experience migration consultant, I was impressed by John Hu Migration Consulting with his proficiency and professional team. I then engaged John Hu Migration Consulting in March 2017 to process our Australian Skilled Visa (Subclass 190) application.

With his professional advices and successful experiences, John Hu and his team have guided us to prepare relevant supporting documents and check all skills assessment, Australia nursing registration and visa application forms before lodgment.

After 7-months of visa processing, my subclass 190 visa was finally granted on 17 July 2018.

I have no hesitation to recommend John Hu Migration Consulting to other visa applicants who decide to engage a representative's assistance in processing their migration visas to Australia.
