

To whom it may concern,

I have been working as an external auditor in Hong Kong. In order to enjoy a better quality of life, my wife and I decided to migrate to Australia.

After signing our service engagement with John Hu Migration Consulting, John has advised us step by step in collating all information and supporting documents for our visa application.

His professional team is responsible for preparing all supporting documents, completing and checking all application forms for our approval and signatures before visa application lodgment. Our visa application process was an extraordinary and enjoyable experience especially in working with John Hu Migration professional migration team of consultants. They were very efficient and helpful throughout the application process.

I received my invitation to apply on 12 Mar 2015 and got my visa granted on 7 August 2015 which is around five months only. Thanks to John Hu together with their professional migration team for their good work and commitment in processing my migration visa, I am able to grant my visa promptly.

I have no hesitation to recommend John Hu Migration Consulting to other visa applicants who decide to engage a representative's assistance in processing their migration visa.
