

To whom it may concern:

In order to start our new family life together in Australia, I decided to apply for my Partner Visa subclass 309 as my husband is an Australian citizen.

After my thorough search for a qualified, experienced and registered migration consultant, I finally decided to engage John Hu (a registered Australia migration agent MARN 0746141) of John Hu Migration Consulting (JHM) to process my subclass 309 partner (provisional) visa application.

With their sound immigration professional immigration experience and skills, John and his team have given me very clear guidelines in completing all my visa applications and collating all supporting documents for my partner visa application. I highly appreciate JHM's professional service and proactive attitude to complete my application.

Finally, my subclass 309 partner visa is granted on in July 2017!

I have no hesitation to recommend John Hu Migration Consulting to anyone who is seeking for a professional service for immigration services.

Kind Regards,
