

To whom it may concern,

My husband and I are successful long-term investors with a diversified investment portfolio across Hong Kong, Mainland and the globe.

After our thorough research for an experienced consultant in the investment migration field, we decided to engage Mr. John Hu (a licensed Australian migration agent MARN0746141) of John Hu Migration Consulting to process our subclass 188 investor visa to Australia.

With their professional experience in liaising with the Australian immigration sections and innovative problem solving skills, John and his Processing Team prepared qualified documentations to verify our source of funds and investment portfolio. They provided guidance and timely support in collating and assembling our application packages toward the successful completion of Queensland state nomination and visa application.

I and all my family members have received our Business Innovation and Investment visas (subclass 188) granted in August 2017. I thank John and his Processing Team for their professional service and efforts in completing my visa application.

I have enjoyed my experience with John Hu Migration Consulting. I have no hesitation to recommend John Hu Migration Consulting to other visa applicants who decide to apply for business or investor visas.

Regards,

Ms. Ko
