

To whom it may concern

As a long-term experienced investor in Hong Kong, my husband and I have decided to immigrate to Australia to start our new family life with our children.

After a thorough research for a qualified and experienced migration consultant, we then decided to engage John Hu (a registered Australia migration agent MARN 0746141) of John Hu Migration Consulting to process our subclass 188 investor visa to Australia.

With his professional migration knowledge and successful experience, John and his team have given clear guidance in collating all information and supporting documents for our state nomination and visa applications, preparing all supporting documents for our sources of funds and making our designated investment to Australia.

I and my family members got our Business Investor 188 visa granted in July 2017. I thank you John and his team for their professional service to complete my visa application.

I have enjoyed my experience with John Hu Migration Consulting. I have no hesitation to recommend John Hu Migration Consulting to other visa applicants who decide to engage the service of a professional immigration consultant in processing their immigration visas to Australia.

Regards, 

Ms. Leung
