To whom it may concern,

I am an Australian permanent resident and has worked and lived in Australia for 2 years. My skilled visa was processed by John Hu of John Hu Migration Consulting 5 years ago.

After returning to Hong Kong for my personal reason, I have decided to engage John Hu to apply for my Residence Return Visa (RRV). Upon lodging my RRV application by John Hu Migration Consulting on my behalf, my RRV is granted within 1 working day.

I have no hesitation to recommend anyone to engage the professional services of John Hu Migration Consulting to process his / her immigration visa to Australia.

Yours truly,
